

Delivering quality pharmaceuticals to meet today's healthcare needs

Product Label Transition Notification Roxane Laboratories, Inc. to West-Ward Pharmaceuticals Corp.

Date: May 24, 2016

To: Pharmaceutical Buyer

West-Ward Pharmaceuticals Corp.

Mark Boudreau
Executive Director, Sales
518-286-3517
mboudreau@west-ward.com

West-Ward Pharmaceuticals Corp. ("West-Ward") is announcing a product label transition from Roxane Laboratories, Inc. ("Roxane") to West-Ward. The new West-Ward product labels for select products (see Exhibit A) will begin arriving at your Distribution Center(s) beginning **June 2016**.

While Roxane is now officially a part of the West-Ward family, West-Ward and Roxane will continue to operate and conduct business independent of one another until further notice. When ordering Roxane products, please continue to work with your current National Account Director or Customer Service Representative as well as utilize the existing processes for ordering products, submitting rebates or chargebacks as you currently do today. Additionally Purchase Orders will remain separate for West-Ward and Roxane.

The new West-Ward labels will differ from the previous Roxane labels as illustrated on the next page. The major change will be the replacement of the Roxane logo and address with the new West-Ward logo and address. In addition to the label, the shipper label will also change to reflect West-Ward as the distributor. This transition will occur for all active former Roxane NDC's and is expected to be complete by March 2017.

Please note that the NDC, Product Nomenclature, WAC, SWP and all Product Attributes will remain the same.

In an effort to minimize the impact of this transition, West-Ward will provide monthly updates of NDC's expected to transition in the month following the notification. The list of NDC's transitioning will be found in Exhibit A as seen below.

West-Ward appreciates your patience as we complete this transition and we look forward to our continued partnership.

Please feel free to reach out to your assigned National Account Director or our Customer Service Department at (800) 520-1631 or CSAC.RDG@boehringer-ingelheim.com with any questions.

Sincerely,

Mark Boudreau
Executive Director, Sales
